

Your Enrollment Form

The purpose of this form is for you to instruct your employer to deduct part of your current pay for contribution into your Plan account. You will generally not owe federal income tax on the amounts that you defer (within IRS limits), or on the earnings of those investments, until these amounts are distributed to you from the Plan. You may change your contribution amount during the Plan's open enrollment periods. Your change will be effective starting with the first day of the next calendar quarter. You may revoke the contribution election that you make at any time. Contributions to your account will be made going forward by reductions from your paycheck each pay period. You may elect a whole dollar amount from each paycheck per hour.
